

Riley Parents,

We need your help!

We are noticing some safety concerns in the morning, and wanted to remind everyone about some of the safety precautions that are in place.

- ✓ If you are dropping your students off in the morning, please use the student drop off drive through. Students can then exit the vehicle safely on the sidewalk side.
- ✓ If you need to enter the building for any reason, please park in a parking space and walk in with your student. Do not park along the red curb of the drive through it is not safe for students to walk through these parked cars.
- ✓ If you park in a parking space, please be on the lookout for pedestrians entering the school. We have had a couple of close calls.

Thank you for helping us keep Riley safe for our students and teachers.
